

Acknowledgement of Protocol

I hereby acknowledge that I have received my Ball Crew Protocol. I understand it is my responsibility to read it, to familiarize myself with the contents, and refer to it whenever I have a question concerning my volunteer position. The Protocol contains information about Ball Crew policies, procedures and programs. It is not all-inclusive but provides a useful framework for daily activities. I understand that the protocol is reviewed on an ongoing basis to ensure that it accurately reflects the Ball Crew's mission and policies and may include revisions between printed editions. The most current protocol information is available via: www.familycirclecup.com. I understand these programs and policies are intended as guidelines only and may be amended at anytime, and that depending on the particular circumstances of a given situation, the ball crew staff's action may vary from the written protocol.
