A POST-MATCH INTERVIEW WITH:

ANNA CHAKVETADZE

**Sorana Cirstea defeats Anna Chakvetadze
2nd Round
6-2, 1-6, 6-2**

AMY BINDER: Questions for Anna, please.

Q. Can you just talk about the match and where you felt it was decided?

ANNA CHAKVETADZE: Well, I think you saw everything, so what can I say, what was decided? The whole match was decided.

Q. Have you played her before? I mean what did you think about the way your game matched up with hers?

ANNA CHAKVETADZE: I've never played her before, so I have no idea how she plays. She just pushed the ball back and I just made mistakes. That's it.

Q. Did the wind bother you? Do you think that was a factor out there? I know it was really windy.

ANNA CHAKVETADZE: Yeah. It was. No, I think it's just the way I'm playing right now.

Q. It seemed like, especially in the second set, you were kind of making a push to get back into the match and then it kind of stopped at one point in the third set. What do you think happened there to kind of shift the momentum back to her?

ANNA CHAKVETADZE: Because she just stopped to make mistakes and started to push the ball back, and I just couldn't put three balls on court. That's it.

AMY BINDER: Any other questions? Thank you.
