

**As my guest to the Family Circle Cup you will have access to many of the same amenities that I enjoy as a Tournament Box Holder.**

With a Family Circle Cup Box Seat ticket, you will enjoy the best seats in the house! You get to see the strength and talent of these world class tennis stars as they compete for the coveted Family Circle Cup title! In addition to your great seats, you will have access to the exclusive **Champions Club**. It is located outside the stadium near the southeast corner of the stadium. Inside the Champion's Club are some complimentary snacks and non-alcoholic beverages with a cash bar and the opportunity to purchase meals. The tent is climate controlled and is great place to get out of the sun and relax!

If you have any questions about your seats, please contact **Margaret Shaw** at 843-849-3154.
